Note: This link should not be shared with others; it is unique to you.
Before joining, be sure to [check system requirements](#) to avoid any connection issues.

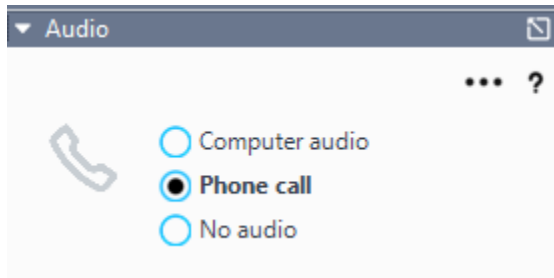

2. Choose one of the following audio options:

TO USE YOUR COMPUTER'S AUDIO:
When the webinar begins, you will be connected to audio using your computer's microphone and speakers (VoIP). A headset is recommended.

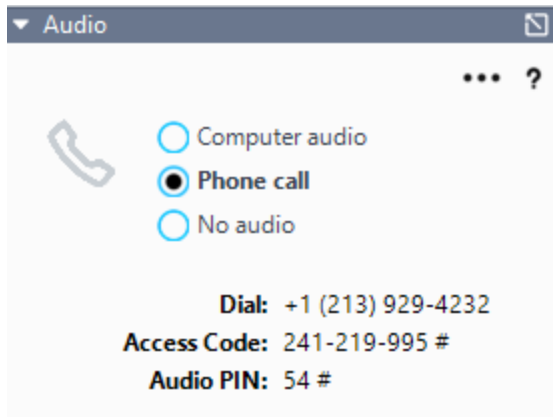

--OR--

TO USE YOUR TELEPHONE:
If you prefer to use your phone, you must select “Use Telephone” after joining the webinar and call in using the numbers below.
United States: +1 (213) 929-4232
Access Code: 364-892-605

When you join the webinar, you will have the option to select your audio method:

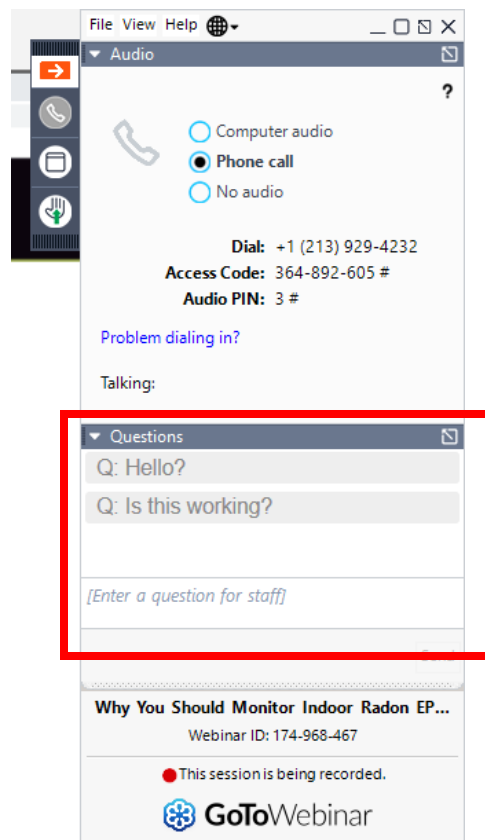

Choose the phone call option to call in so that we have high quality audio for your questions or presentation.

You will be prompted to enter an access code and PIN (*the ones shown here won't work, your access code is unique to the event and your PIN links your phone and computer*).

Additional Notes:

To promote the flow of the seminar, we will only be accepting questions asked in the questions panel of the GoToWebinar panel during the presentations. A moderator will read your name and question aloud for all to hear, then the presenter will answer it. Questions will be asked on a first come first served bases and all questions may not be addressed due to time constraints.

All attendees will be muted when they join the webinar. If you would like to speak during the discussion section of the webinar (after all presentations), please use the “raise your hand” feature (highlighted below) within GoToWebinar. Once you are called on, you will be unmuted to ask your question.
